## About Redbrick Coffee

Redbrick has been proudly roasting and serving specialty coffee in Canberra since 2011. We are dedicated to sourcing, roasting and sharing exceptional coffee in a sustainable, respectful and responsible way.

## A Story Built on Milk Crates

The Redbrick name comes from our first small suburban cafe lined with Canberra red bricks. With a coffee roaster squeezed in the corner, milk crates on the lawns out the front and endless chit chat, we built a space to connect the community with the coffee we loved.
